Richardson A Winner

Be a party today to make Friend W. Richardson Governor of the state of California. He is going to win without a doubt, but help to swell his majority as large as possible.

The position of Richardson is unique in the political history of the state. He will become chief executive of California without any strings attached to him.

He has promised the people an administration of "economy and efficiency" and along with it a savings of millions of dollars. Richardson says reckless extravagance has existed in state affairs for years. He knows what he is talking about. He knows where economies can be effected without crippling any department of the government.

He will do just what he says, that he will turn out the destruction gang and put in its place a construction gang.

Richardson will win today anywhere from 150,000 to 200,000.

Vote for him, and let's put an end to "squandering."

EX-ARMY MEN FOR VEALE

Federal Officer Makes Five Arrests Here

HELP SWELL MAJORITY OF VEALE TODAY AT ELECTION

As a result of reports received from all parts of the county, it is safe to make the prediction, that at the election today, Veale will win by between 1,000 and 1,200.

There was a little Reggiardo money in sight for a short time yesterday, but it was snuffed up, and last evening Veale backers were offering odds of 3 to 2 with no takers.

The fight has been one of the most hotly contested in the county for years, and the lines have been very closely drawn. In the past two weeks there has been a strong disaffection from Reggiardo, on account of the class of support he was receiving in many sections of the county.

The ex-service men of the eastern end of the county are on the war path on account of Reggiardo attempting to capitalize his uniform, his war record and the American flag. They resent this action and are out waging a very bitter campaign against him.

Those in a position to best judge declare that most of the Nixon vote in Richmond and other parts of the county will go to Veale, and in nearly every precinct of the county the Veale vote will be greatly increased over that he received at the primary.

It is the duty of every voter to go to the polls today. Do not stay at home and then complain at the result.

Cast your vote for Veale, who has made an enviable record during the time he has served. Vote for him because he stands for good government and the enforcement of the law.

Felkel Not Owner of Westside Garage

There is a famous saying that goes "To Err is human" and people connected with newspapers are not immune from that saying. An advertisement appeared in the Sunday issue of this paper which read, "S. L. Felkel, West Side garage." This was an error on our part, the advertisement should have read: "S. L. Felkel, 412 Macdonald Avenue." Mr. Felkel has not been connected with the West-side garage for some time, but is at 412 Macdonald Avenue. See his advertisement in today's issue of this newspaper. Thank you.

DENIES PEACE RUMORS

Dublin, Nov. 6.—A long statement issued as a "Dall communique" and signed by Eamonn de Valera, as president, of announced definitely that there is no truth to the rumors of peace negotiations between his party and the free state government.

GRANTED A LICENSE

Chris Browne of 548 Sixtieth street was last evening granted a gratuitous peddlers license by the council.

USE OF FLAG AND UNIFORM BY A. REGGIARDO IS CONDEMNED

A telegram that the Record-Herald received from the "Ex-Service Men's Veale for Sheriff League of Contra Costa county" of which L. S. Mehaffey is president and Carl McElheny is secretary, takes Reggiardo to task for attempting to create the impression through the issuance of a poster that the ex-service men of the county are behind him. They denounce the use of the uniform and the flag for the personal aggrandizement of a man, and state that 90 per cent of the ex-service men of the eastern part of the county are supporting Veale.

Read the telegram; it is as follows:

We, the ex-service men of Antioch and eastern Contra Costa county have seen the poster purporting to be signed by ex-service men of Contra Costa county advertising the fact and commercializing it, that Anthony Reggiardo served in world war, and asking you to support him on these grounds. We cannot believe that ex-service men as a whole would use their war record for such a purpose, and we certainly knew nothing about this poster until it fell into our hands. Ninety-five per cent of the ex-service men of this county are supporting Sheriff Veale and signed his petitions, now on file at Martinez for your inspection, so the poster on your face is untrue, for we do not ask mothers, fathers and friends to support Reggiardo because he served in the war, just the same as thousands of us did. The fact that he gained special recognition means nothing except to himself, for thousands of others did as much without recognition when a man uses his uniform, his war record and his name to try and bring personal gain, he most certainly should not have the support of the fellows who served just as honorably by his side.

Rousing Reception To Veale At 2 Meetings

The campaign for Sheriff of R. R. Veale was closed last night with two rousing meetings, one at Antioch, and the other at Martinez. Despite the rain, the halls in both towns were packed to capacity, and the veteran sheriff was given rousing receptions. Both the sheriff and his fighting

son, "Billy" made talks at each of the meetings.

In Martinez I. D. E. S. Hall could not accommodate all of the people who wanted to get in.

The chairman of the Antioch meeting was Roy Davis and the Martinez meeting was presided over by Ralph Wright.

HEAVIEST RAIN IN RICHMOND YESTERDAY

Flooding the streets and filling the holes in the sidewalks and vacant lots, the heaviest rain of the season fell in Richmond and vicinity last night. At a late hour no abatement was noticed.

Macdonald avenue and other thoroughfares were a swirling mass of water and a heavy wind kept pedestrians indoors. No damage was reported at police headquarters.

Complaint Is Made About Small Sewers

Paul Zimmerman reported to the council that the sewer at Virginia and South Fourteenth were too small, and as a result the water was backing up into houses.

The matter was referred to the city engineer.

RICHMOND COMMUNITY CLUB

The Richmond Community Club announces January 28th as the date for its next play. Details will be arranged at a meeting scheduled for Monday evening, November 20.

ECLIPSE LODGE MEETS

Eclipse Lodge, No. 403, I. O. O. F. held its scheduled business meeting at Bank Hall last night with Joe Turner presiding.

CHARITY CIRCUS OF ELKS WILL OPEN TONIGHT

On account of the heavy downpour of rain all day yesterday the big opening of the Elks' Industrial show was postponed last evening, but if the weather is clear today, it will open in a blaze of glory tonight. Nearly all of the exhibits are in place, and tons of sawdust have been secured, so that the damp places in the ground can be thoroughly covered.

The postponement of the opening for a day will not mean any difference so far as the result of the charity circus is concerned, as the crowds will be all the greater for the remainder of the week.

Elks' Committees to Be Appointed Tonight

Committees for the month will be appointed at the regular meeting of the Richmond Lodge of Elks tonight according to Exalted Ruler Frank N. Gordon.

The Elks will receive state election returns by radio as a feature of the meeting.

WILL ENTERTAIN

The Friendship Club of Hercules will entertain at an Armistice Day ball at the Pinole Opera House Saturday evening. "Chick" Barry's orchestra will furnish the music.

5 ARRESTED BY MARSHAL ON WARRANTS

Deputy United States Marshal and a force of men slipped into Richmond yesterday afternoon, armed with warrants and arrested five persons for violations of the Volstead Act. They were taken before Commissioner Albert Hardie of Oakland last evening.

No raids were made, apparently the evidence had been secured previously, and then the complaints sworn to. Those arrested were William Waldorf and Paul Bada at the Western Hotel; Louis Ferrari and Dominick Re at the Standard Hotel on Standard avenue; George Sewell at 64 Railroad avenue.

ELECTION FOR NEW CHARTER TO BE CALLED

The people of Richmond will have an opportunity to vote on a new charter. This was decided upon last evening when the council instructed the city attorney to prepare a resolution calling an election.

A special meeting of the council will be held Friday night at 7:30 at which time the date of the election will be decided upon.

The motion to call the election was made by Mrs. Ogden, seconded by Plate, and Councilman Hartnett stated that if the proponents of the charter were satisfied their petition was legal he was satisfied to call the election. All members voted in favor of the motion.

Two petitions had been presented to the council, and both were faulty, and the council was unable to act previously.

Last night there was considerable discussion on the charter election question. The informal opinion of the superior judges was to the effect that the former petition was sufficient. On the question of the certificate that was attached to it by the county clerk, the judges were of the opinion that official had no right to go behind the names.

It is very likely that the charter election will be called for the early part of December.

Birthday Party at Valencia Home

A score of friends gathered at the Valencia home, 1410 Twenty-sixth street, Saturday, to celebrate the birthday of Antonio Valencia. A decorative scheme was carried out with cyprianthems.

Games, dancing and cards furnished the entertainment for the evening.

Nourse, Florence Wilson, Mr. and Mrs. Herbert Caswell, Laura and Howard Caswell, L. Nystrom, Mr. and Mrs. Sam Gengler, Emma, Wilson and Pearl Gengler.

VAUGHN WRITE-IN CAMPAIGN NOW SWEEPING THE COUNTY

The movement that was launched Saturday in this city of a write-in for Ira R. Vaughn for the office of county tax collector against Martin W. Joost, who has been very active in the sheriff's fight, spread like wildfire Sunday and yesterday to all parts of the county.

Yesterday afternoon tickets were received in Richmond that had been printed up country, and were being placed in every precinct. Thousands of cards were printed in this city, and last evening they were being placed in the hands of workers in every precinct.

The movement was a spontaneous one, and came as a result of the resentment felt by the general public against a county official, who was not satisfied to win out at the primary but who was attempting to tell the people of the county what they should do at the general election today.

It is confidently anticipated that the result of the write-in movement will be one of the surprising things of the campaign.

The slogan today in all parts of the county will be "Write in Ira R. Vaughn for Tax Collector."

WANTS TO BUILD HOLLOW TILE RESIDENCE

The building committee of the council, and the building inspector will meet this week, and pass on the application of James T. Nabett for permission to erect a two-story hollow tile residence, with an eight-inch wall.

It is the contention of the building inspector that under the building ordinance that a two-story building must have a 12-inch wall for the first story and an 8-inch wall for the second story.

Nabett's contention is that other cities are permitting the construction of 8-inch hollow tile homes, and to prevent them in Richmond would only retard the building of homes.

Great Officers to Be Entertained Tonight

There will be a big parade followed by an all-day picnic at East Shore Park, where they will have vaudeville, singing, music, games and dancing.

There will be a football game between the High school cadets and eleven from the Mt. Tamalpais Military academy.

"More business and less politics. When I become governor I will throw out the political wrecking gang and put a construction crew on the job." Statement of Friend William Richardson, who has just been nominated by the Republicans for Governor of California.

AMERICANS TAKE TOO MANY BATHS

When doctors disagree, what will laymen do about it? Probably do as they please. Ever since the great Methodist chief, John Wesley, declared that "Cleanliness is next to godliness," persons have made some effort to keep their bodies clean. Here in America the bathtub is as necessary as heat, air and lighting—everybody except certain foreigners in our midst take regular baths. And most persons bathe every day, men in the morning and women just before going to bed. It is a pleasant and healthful custom.

Many doctors urge it on people and declare frequent bathing and drinking of much fresh water will ward off disease and keep persons in good health. But now comes a discordant doctor in Philadelphia, named Bernstein, who asserts that Americans bathe entirely too often. He quotes Europeans as saying a bath once a year is quite enough for anyone. It is useless to point out to a man who talks that way that Europeans are not to be compared with naive Americans in the matter of health and that the person who bathes once a year would be as undesirable in any society. We hope no one within the sound of our typewriter will follow Bernstein's advice and cease keeping clean.

AMUSEMENTS

According to official figures given out at Washington, the people of the United States expended \$733,789,374 for taxable amusements in the year 1921. This was a goodly sum, although \$160,000,444 less than was expended in 1920. In the face of the figures we still have in our midst a certain class of hystericals who see in the people's amusements and pleasures the undoing of morals, the disintegration of society the downfall of the Republic.

It may be contended with truth that this class is not numerous, that is neurotic and that the mainspring of its activities is a hectic desire for notoriety.

And yet it is a dangerous element. Notwithstanding of amusements and patronize them, as shown by these figures, the professional, paid "reformers" have been able to restrict diversions in more than one state. The result is that for the first time in history this issue has been injected into a political campaign. Candidates felt called upon to state their positions, and we are glad to note that most of those who commit themselves are unfriendly to arbitrary interference.

ZION DICTATOR

Wilbur Glenn Voliva, "Overseer" of the world, has about reached the end of his tether. He is finding it impossible to set up a new government with extra-territorial powers in the heart of a sovereign state. As self-appointed supreme dictator of Zion City, he sent me to jail for smoking and locked up women because they did not comply with his own ideas in dress reform.

The courts have enjoined him in the matter of excluding tobacco, and now a liberal-minded preacher, who dared to disagree with him, has brought an action against him for criminal slander.

Voliva called this Methodist preacher a scoundrel, a blatherskite, a windbag and a foolish old goat, according to testimony offered. He will have to substantiate his charges or pay the price.

Zion City is a sore on the body politic. It should be cauterized or abolished. There is no room in this country for organized denial of our system of government.

Both the exKaiser and the exCrown Prince are reported to be ill. There is no doubt that illness sooner or later will carry off both these worthies, but their genius for avoiding danger will prevent anything else from having that effect.

ROOSEVELT AND THE NAVY

If the New York World had as much common sense as it usually seems to have, it would not grow excited over the fact that Theodore Roosevelt, while in the White House, had more to say than any other president had about the American navy. The World sneeringly calls attention to a pamphlet issued by the assistant secretary of the navy, entitled "American Naval Policy as Outlined in Messages by Presidents."

What disturbs the World is because Roosevelt had a good deal to say, while Washington and Jackson and other great chiefs had little to say. Any one who has read history knows the reason for these things. In the eighteenth and early part of the nineteenth century there was no great need for navy; sailing vessels were in use then, and the president of the elder day knew that a stout-armed sailing ship fitted with cannon became a frigate or corvette—a fighting vessel. There was no necessity of maintaining a powerful navy, although we had a very good one which did itself proud in the days of Madison and in the forties sent an Armada to Vera Cruz, Mexico.

When Roosevelt was president our navy, begun in the days of Cleveland, was growing and needed upbuilding, and this need was urged on Congress by the far-sighted Roosevelt. He had more to say than all other presidents put together because there was a greater need in his time for a strong navy than during any other president's administration, with the exception of Lincoln's and Wilson's. Wilson had a good navy, thanks to Roosevelt, when we went to war, and Lincoln made his navy. What seems to irk the World is that the man who prepared the pamphlet was the accomplished son of President Roosevelt. "Rather petty, we think."

IS IT RIGHT?

At the recent convention of the Farm Mortgage Bankers' Association of America, it was shown that there are over \$20,000,000,000 of United States securities and \$8,000,000,000 of State and Municipal securities outstanding of the "tax-exempt" variety.

In other words the income from nearly \$30,000,000,000 of American wealth is escaping taxation which must be paid on income from other investments and returns from labor or services rendered.

This condition is an evil in itself, but that is not the worst. The evil is growing. In 1912 the state and municipal issues of tax-free securities amounted to about \$400,000,000; in 1916 to about \$500,000,000; in 1920 to \$773,000,000. Last year's issues rose to \$1,300,000,000, and this year's will be little short of \$2,000,000,000.

What the mortgage bankers emphasize over and over again is that these growing sums are being taken almost daily from busy hands that produce the wealth of the country and placed in the hands of officials who simply scatter wealth abroad.

What justice is there in allowing the holders of some \$30,000,000,000 of public bonds to escape tax-free of the income diverted therefrom while the man who works or maintains a business must account for every penny he makes and pay taxes on the same, including additional taxes to make up the amounts lost to the government through the tax-exemption loop-hole favoring the holder of government securities.

LAWYER IS IN JAIL AND SECOND LIKELY

San Francisco, Nov. 6.—One attorney was in jail and another at a health resort resting today as the aftermath of the trial of Henry Wilkins for the alleged murder of his wife. The jury disagreed Saturday night.

Attorney William F. Herron, who was personal lawyer for Arthur Castro, the state's star witness, was in jail. He started serving a 24-hour sentence for contempt of court, imposed early in the trial.

Frank J. Murphy, who has a similar sentence hanging over him, was given a stay until Wednesday. He, in the meantime, has gone to the country to recuperate from the strain of the trial.

"What's Wrong With the Woman" at T & D

Ever since Mother Eve imbedded her pearly teeth in the fabled apple humanity has pondered from time to time the age-old problem: "What's Wrong with the Women?"

Now comes a motion picture that sets for itself the same eternal question and comes pretty close to answering it—at least so far as the present high-powered, helter-skelter, flapperish generation of women is concerned.

It is called "What's Wrong with the Women?" was produced in powerful dramatic sequences by Daniel Carson Goodman and it thrilled and entertained a big audience at the Richmond T. & D. theater where it was shown for the first time last night and will be presented again tonight.

The story, which was written by Mr. Goodman, is a straightforward narrative dealing with the lives of a smart group of men and women in the gilded strata of big town society. Women and men, too, plunge into the maelstrom of life unrestrained. Extravagance, folly, broken hearts and twisted souls. It won't do to reveal the plot.

HELPFUL WORDS

From a Richmond Citizen
Is your back lame and painful? Does it ache especially after exertion?

Is there a soreness in the kidney region? These symptoms suggest weak kidneys.

If so there is danger in delay. Weak kidneys get weaker fast. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them. Ask your neighbors. Read this Richmond testimony. Mrs. Preston Rosier, 554 Twenty-first st., Richmond, says: "I know the value of Doan's Kidney Pills. They are a household remedy with me. I have had dizzy headaches, backaches and pains across my kidneys. At these times I have felt miserable and had no energy. My kidneys acted irregularly. Doan's Kidney Pills have always relieved these attacks, strengthening my back and kidneys. I can't say too much for Doan's. I know they are just as represented."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rosier had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Salts if Kidneys or Bladder Bother

Harmless to flush kidneys and neutralize irritating acids—Splendid for system.

Kidney and Bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant effervescent lithia-water drink, which quickly relieves bladder trouble.

Chapped hands and faces needn't bother.

Costs You Nothing to Try--So Solve This Puzzle

How Many Words Can You Find in This Picture Commencing With the Letter "F"?

For example, you will notice "Fire," "Fiddle," "Foundry," etc. Are you able to find 20 words commencing with the letter "F"? The picture is very clear: there can be no mistakes. You will find it very interesting to look for these words, and win the big prize. Anybody can try—costs nothing. Why should you not be the

You Should Win winner of the \$2000.00! The person having the largest list of words beginning with the letter "F" will get the First Prize. You surely have a real chance of winning at least ONE OF THE PRIZES OFFERED—there are fifteen are as good as anybody's.

JUST THINK what you could do with the money. \$2000.00 could buy an automobile and leave enough balance to make a payment on a cozy home. Perhaps you have in mind just the thing you would like to do if you received a check for \$2000.00. Certainly you owe it to yourself to try to solve this puzzle. You will find the trying very easy and pleasant.

The Way to Win One of the Twenty Prizes

You do not have to spend a penny to get in to this contest. It is not necessary for you to order any Yeastolax. If your list is adjudged to be one of the twenty best you will receive one of the cash prizes. Without your order for Yeastolax, if your list of words commencing with the letter "F" is the largest you receive the first prize of \$50.00. If the judges award you the second prize, without your order for Yeastolax, you will get a check for \$25.00; and so on down the line as shown in this announcement.

Win the Big Prize—\$2000.00

If you choose you can win a great deal more than the Class A prizes. All that is necessary for you to qualify your list of the BIGGER PRIZES is to send in an order for one or more packages of Yeastolax. Look over carefully the schedule of prizes as classified in this announcement. You will find that if you send in \$1.00 for one package of Yeastolax the judges award you first prize you will get \$300.00 if you send in \$2.00 for two packages of Yeastolax and your list is adjudged first prize you will get a check for \$600.00; and so on up. If you send in \$5.00 for 5 packages of Yeastolax and the judges award you the first prize, you will receive the Big Prize of \$2000.00. Should your list be judged as the second best you would receive \$1000.00; and so on down the list. Remember, there are twenty prizes offered, as shown. All the opportunity one could desire. Go in to win the best prize.

\$700.00 Extra Award for Promptness

Dec 15th, 1922 is the last day of receiving your solution to this puzzle qualifying you to win one of the prizes. But, not this: For every day before that date that your order for Yeastolax is received an extra prize of \$100.00 for each and every day will be added to any first prize won. If you send in your order today you will get a receipt for the money; then you can send in your solution any time before Dec. 15th and your list will be qualified for any of the prizes. We will award an extra \$700.00 in this manner. You should try your very best to earn this additional award. In case of ties we will award duplicate amounts of \$700.00 to each contestant so tying. Don't overlook reading about our extra premium of 50,000.00 Genuine Russian Rubles, whether or not you enter this contest.

Go after the Big Prize—don't delay—start right away—put into the contest. How many words can you find with the letter "F"? Great amusement—great opportunity. \$700.00 is awaiting your call. Now is the time to act.

RULES: 1

This puzzle is open to every-

body except employees and relatives of the Yeastolax Co.

2

The First Prize will be awarded to the person giving the largest number of words beginning with the letter "F". To the next in order will be awarded the Second Prize and so on down the list of Twenty Prizes. The awards will be made on the basis of the words submitted and not from a predetermined list. Should there be any tie the prize will be awarded to each contestant so tying.

3

Words of synonymous meaning and words of the same spelling but different meaning will count as only one. Use either the singular or plural of a word. Only words appearing in Webster's Dictionary—and not obsolete words will be considered.

4

Words must be unnumbered 1, 2, 3, etc., consecutively.

5

This contest will be decided by three judges independent of and not connected with the Yeastolax Co. These judges will award the prizes. The contestants agree to abide by the decisions of these judges, and it is understood that such decisions are to be conclusive. The names of winners and winning lists (if words are published as soon as possible after the contest. A copy of this list will be furnished to anyone upon receipt of a stamped, addressed envelope. Two or more persons may co-operate in this contest, but only one prize will be awarded to any such co-operating group.

6

Lists of names must be received at our office (any time during regular office hours) or before Dec. 15th, 1922. For every day before (or ahead) of this date that your order for Yeastolax is received you will get an additional award of \$100.00 per day, added to any first prize won. In case of ties this award will be duplicated to every contestant so tying.

IMPORTANT—Special Introductory Premium

In order to quickly introduce Yeastolax into every community, we will give to any person, regardless as to whether or not he sends in a solution to this puzzle

ABSOLUTELY FREE—50,000.00 RUBLES

The Russian Ruble recently was worth 55c per ruble, giving the above a value of \$27,500.00. We give 50,000 Rubles FREE with each and every package ordered. That is to say, if you send in \$2.00 for two packages ordered, you will receive 100,000.00 Russian Rubles, and so on up. Remember this offer holds good whether or not you qualify for the puzzle prizes. Save this money: many a fortune has been built up by buying foreign money after wars. It is rumored that \$50,000,000.00 worth of rubles has been discovered in Russia, and the press is calling attention to our vast American projects of oil and other industries that are being directed towards Russia. The Chicago Tribune on Sept. 12th calls attention to the new canal which has just been opened for shipping between Russia, Germany, Persia and Central Asia, affording a new source of raw materials for the Russo-German combine, especially oil, manganese and copper and opening up the rich Persian and Central Asian trade to Germany and Russia. Think what this means; surely you cannot afford to pass up the opportunity to acquire these rubles. We will give you 50,000 Rubles free with every \$2.00 order to those who enter the contest as well as those who do not.

Armistice Day

This year we observe the fourth anniversary of the signing of the Armistice which ended the World War.

During the period that has passed since then preliminary gestures have been made toward permanent peace. It is to be hoped that these will be followed by even greater efforts.

Meanwhile we can each provide for ourselves and loved ones that peace and security that financial independence brings.

MINIMUM WAGE LAW DECLARED INVALID

Washington, Nov. 6.—Minimum wage legislation was dealt a blow here today when Judge J. A. Vanorsdel, in the district court of appeals, declared unconstitutional the law passed by Congress fixing the minimum amounts that could be paid women and minors in the nation's capital.

The law was considered as the opening drive of legislation that would fix minimum wages throughout the country.

San Pablo Children in Halloween Party

Bobbing for apples took the place of honor when approximately three hundred children of the San Pablo district accompanied by their parents attended a Halloween party at the school house Friday night. Dancing followed a series of games.

Music for the affair was furnished voluntarily by the San Pablo band. Principal H. T. Keeler was in charge ably assisted by the teachers, and girls of the Domestic Science Department.

No New Dress— Misses Chicken Dinner

"Say, Helen! I must have a talk with you all right. You are the limit! Didn't you tell me last week that you were going to that lodge affair last night and urged me to come? Well, I went all right, and there was a terrible crowd. At first I thought I'd lost you in the crowd. But after I'd looked the place over thoroughly about six times I decided you weren't there at all."

"Gee, I'm sorry if you wanted to see me so bad. I thought I was going and didn't get to see you after I changed my mind."

"Oh, I had a good time all right. They had a wonderful chicken supper, pumpkin and all sorts of good things. But you didn't tell me why you didn't go!"

"Oh, I intended to have a new dress for the occasion, but I decided the other day I just couldn't afford a dress for another month. I simply have nothing decent to wear, so I decided not to go to a single place until I did."

"Oh, shucks! You can't sit around and wait till you can afford a dress. You know about Cherry's, don't you? Well, my dear, you had better get acquainted with them. They have a peach of a store at 515 Thirteenth street, where you can buy lovely things on credit. Six months to pay if you like."

Cherry's store for men is at 528 Thirteenth street.—Advertisement.
